RE: Police Department Monthly Report
Town Council Meeting December 6, 2011

During the month of October 2011, there were a total of 487 calls for service in the Town of Dumfries and 357 (73%) of them were handled by the Dumfries Police Department. In addition, Dumfries officers made a total of 204 traffic stops resulting in 139 traffic citations, and made one criminal arrest. There were 34 parking citations issued.

The Police Department is working with several citizens in the Williamstown community in an attempt to initiate a Neighborhood Watch. We have had two meetings over the past 30 days and are hopeful for a late February start. The response to an active Neighborhood Watch has been very positive.

Officers continue to positively interact with the students at Dumfries Elementary School. Officers had lunch with the students several times during the month and made a presentation at their annual School Safety Patrol Appointment Ceremony.

Cub Scout Pack 2024 toured the police station on November 2nd with approximately 25 individuals present. Officers demonstrated some of their equipment and the highlight of the tour was getting in the police cruisers.

Officers conducted targeted enforcement at the intersection of Curtis Drive and Main Street. This enforcement effort resulted in 45 summonses being issued; the majority was for blocking the intersection.

There were no juvenile arrests during the month of October.
